## 3.2. Intellectual Property Rights

### PROTECTION OF INTELLECTUAL PROPERTY RIGHTS AT HKTDC EXHIBITIONS

#### Exhibitors' Brief

The Hong Kong Trade Development Council (referred to below as “TDC”, “Organiser”, “we”, “our” or “us”), the statutory body promoting Hong Kong's international trade, is committed to fostering original design and safeguarding intellectual property rights.

We have on-the-spot procedures at our trade fairs for handling any complaint that a product on display infringes someone else's intellectual property rights. These complimentary procedures are not the only way in which complainants can file complaints. Complainants can also file complaints with Hong Kong Customs and Excise Department and/or the Courts of Hong Kong.

These procedures, carried out with our on-call legal advisor, are designed to help establish whether there is a case to answer so that complaints may either be pursued or resolved promptly. Our legal advisors will be on-call during the opening hours of our trade fairs and will attend our office within a reasonable time upon notification by us to handle any complaint filed in accordance with the Exhibitor's Brief. Our aim is as much to protect the rights of individual exhibitors to be promptly cleared of unfounded complaints as it is to uphold their obligation to respect the intellectual property rights of others.

In this respect, the attention of all exhibitors (“Exhibitors”), is drawn to Clause 43 of the conditions of participation, setting out rights and obligations of exhibitors at HKTDC exhibitions, which is set out below for ease of reference:

The Exhibitor warrants that the exhibits and packages thereof and the Publicity Material or any other part of the display on the Stand do not in any way howsoever violate or infringe any third party's rights including all intellectual property rights including but not limited to trade marks, copyright, designs, names, and patents whether registered or otherwise. The Exhibitor agrees to fully indemnify the Organiser and its agents, representatives, contractors and employees against all costs, expenses and damages arising from any third party's claim of infringements by the Exhibitor and/or the Organiser and/or the latter's agents, representatives, contractors or employees of such third party's rights.

The Exhibitor agrees that it shall comply with any "Exhibitors' Brief on the Protection of Intellectual Property Rights at HKTDC Exhibitions" ("**Exhibitors' Brief**") that the Organiser may issue from time to time, including abiding by any complaint procedures and penalties stated in the Exhibitors' Brief, whether as a complainant of infringement of intellectual property right or as a party subject to any such complaint. If the Exhibitor fails to abide by any of the terms and conditions of the Exhibitors' Brief, the Organiser shall have the sole and absolute discretion to ban the Exhibitor and any or all of its parent, associate, affiliated, associated and/or subsidiary companies and/or any brand(s) which it or they represented, represents or may represent from any or all future exhibitions, events or trade fairs organised by the Organiser and/or to further ban any representatives of the Exhibitor in question from entering the venue of the current Exhibition in which the Exhibitor is participating.

If a complainant/an Exhibitor ("complainant") files a complaint with the Organiser in accordance with the Exhibitors' Brief and requests the Organiser to take action against an Exhibitor, the complainant agrees to hold the Organiser, its agents, representatives, contractors and employees (including but not limited to their Legal Advisors) harmless and to fully indemnify each and every one of them against any and all liabilities, losses, costs (including but not limited to legal costs), expenses and damages of any nature whatsoever incurred or suffered by any of them as a result of or however arising from any action that the Organiser, its agents, representatives, contractors or employees (including but not limited to their legal advisors) may take in reliance of or as result of such complaint filed by the complainant, or any other requests, directions or instructions made or given by the complainant pursuant to such complaint. The complainant further agrees not to take any legal action or make any claim or demand against the Organiser, its agents, representative, contractors or employees (including but not limited to their Legal Advisors) in relation to such complaint and the alleged infringement of intellectual property rights.

## Procedures

1. If you have any complaint involving infringement of your intellectual property rights, this should be reported to the Fair Management Office, where it will be handled by HKTDC Fair Officials and the on-call Fair Legal Advisor engaged by HKTDC (the "Fair Legal Advisor"). The Fair Legal Advisor will be on-call during the opening hours of HKTDC's trade fairs and will attend the HKTDC's office within a reasonable time upon notification by the HKTDC to handle any complaint filed in accordance with the Exhibitor's Brief.
2. If you receive a complaint at your booth, you should refer the Complainant to the Fair Management Office.
3. Both the documents attached to the Exhibitors' Brief and the Legal Advisors on site will specify the kind of documents and other evidence necessary to support a complaint.
4. If the Legal Advisor is satisfied, on the basis of the documents provided, that the Complainant's intellectual property rights are valid and have been infringed by the display of the Exhibitors' product or material in dispute at the Fair, a HKTDC Fair Official will visit the booth involved.
5. The Fair Legal Advisor will also visit the HKTDC's website ([www.hktdc.com](http://www.hktdc.com)) to check whether the product or any material in dispute is displayed on the said website. If so, the HKTDC has the sole and absolute discretion to disable the link or otherwise take down / remove the disputed product or material from the Organiser's website in accordance with the HKTDC's *Terms & Conditions for Printed Advertisement & Online Promotion* without further notice.
6. As Fair Organiser, HKTDC has the power to immediately take at least 3 photographs of the product or any material in dispute.
7. The exhibitor will be asked to remove the product or material in dispute immediately from display and not to trade in it for the remainder of the exhibition unless he/she can adduce evidence to show to the satisfaction of the Legal Advisor that he/she has the right to deal in such product or material. He/she will also be required to sign an undertaking immediately to this effect. A copy of the signed undertaking and one copy of the photograph will be given to the Complainant and the Exhibitor. A further copy of the signed undertaking together with one copy of the photograph will be retained by the HKTDC for its records.
8. If the HKTDC is notified by the Customs and Excise Department that it is investigating possible violation of copyright and/or trademark by an Exhibitor at the Fair, the Exhibitor will be required to immediately remove the product or material which is under investigation for the remainder of the fair.
9. If the exhibitor fails or refuses to co-operate with HKTDC under paragraphs 6 and/or 7 and/or 8 above, HKTDC shall have the right and power, in its sole and absolute discretion, to ban the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary company, from any or all future HKTDC exhibitions.
10. HKTDC staff will visit any booth in respect of which a complaint has been received and accepted by HKTDC's Legal Advisors, in order to reconfirm that the disputed product or material is no longer on display and is not being traded. If the Exhibitor is found to have breached its undertaking not to display or deal with the product or material in dispute during the remaining period of the Fair, HKTDC shall have the right and power, at its sole and absolute discretion, to immediately terminate the right of participation in the Fair in question of the Exhibitor and any of its representatives, parent, associate, affiliated and/or subsidiary companies without any refund of the participation fee already paid by the Exhibitor and to ban the Exhibitor and any of its representatives, parent, associate, affiliated and / or subsidiary companies from any or all future HKTDC exhibitions.

### **3.3. Sub-letting**

**Exhibitors are strictly forbidden to sublet or otherwise share the Space to or with any third party.** Any exhibitor found to be in breach of this sub-letting prohibition will be asked to immediately remove all illegitimate third party business cards, materials and exhibits (promotional or otherwise) from its Space at its own expenses and will also be banned from taking part in all the HKTDC fairs.

By way of clarification, an Exhibitor is ONLY permitted to:

- (i) promote, distribute or display exhibits, printed matters or graphic materials bearing its name or distribute name cards of its own employee; and
- (ii) allow its own employee to solicit business for itself, at its Space.

An exhibitor may also (i) promote, distribute or display exhibits, printed matters or graphic materials bearing the name of its wholly-owned subsidiary or any third party company having a formal agreement with itself appointing the exhibitor as agent or distributor of that third party company or (ii) allow the employee of such subsidiary or third party company to solicit business for such subsidiary or third party company at its Space. Exhibitors are reminded to obtain prior written permission from the Organiser by applying in writing at least 3 months before the commencement of the Exhibition if exhibitors wish to conduct the said activities for the subsidiary or any such third party company. Exhibitors are required to provide some form of documentation confirming the relationship between the exhibitors and the relevant subsidiary or third party company when submitting your application.

Permission is given entirely at the sole and absolute discretion of the Organiser and the Organiser's decision is final. If the exhibitor is found to be conducting the above activities for its subsidiary or any third party company without having obtained prior written permission from the Organiser, it will be treated as "sub-letting" in contravention of the sub-letting prohibition. Exhibitors are also reminded that any of the above activities can only take place in relation to products which fall into the same product category zone as stated in the booth confirmation letter of the Exhibition.

### **3.4. Guidelines for the Fair Exhibits**

Exhibitors may only display exhibits and/or products relevant to the product category zone where its booth is located. During the exhibition period of the Fair, if any exhibit and/or product does not meet with the above requirements or is in the Organiser's view incompatible with the image of the Fair in promoting a healthy lifestyle, the Organiser reserves the right to stop the exhibitor from displaying/showing/offering for sale/selling and/or distributing the relevant exhibit and/or product at the Fair. Badge-wearers must comply with and accept the security checks procedures facilitated by the Organiser and enter the fairground through specific entrance gate. If the Organiser has doubts regarding the identity of a badge-wearer, the Organiser has the right to require such badge-wearer to produce identification documentation. - International Fairs Directory

The Organiser would like to stress that neither the Fair Guide, the Expo Guide, the Event Fair the FAIR-Guide, AVRON nor the International Fairs Directory has any connection with the Organiser or any of our fairs.

UFI, an international organization which represents the interests of the exhibition industry worldwide has been warning the exhibition industry to be vigilant against Fair Guide, Expo Guide, Construct Data, Commercial Online Manuals and other similar guides and organizations such as Event Fair, AVRON and International Fairs Directory. UFI has also reported that debt collection agencies work in partnership with these guides to intimidate exhibitors for payment. The practice of Construct Data has been considered as unconscionable and misleading by the Austrian Protective Association. Recent information suggests that Construct Data has shifted its operation from Austria to Mexico and/or Slovakia.

It should be noted that the contents and wording of Fair Guide's and Expo Guide's letter and order form are virtually identical. It is possible that Construct Data and Commercial Online Manuals, Event Fair, AVRON and International Fairs Directory are related companies or are in some way connected. You should therefore exercise due diligence and care when being approached for such invitations so as to avoid possible unwarranted and/or unnecessary financial commitments. In order to protect your own interests, you are urged to read the contracts (including the small print) and attachments carefully, as well as seeking legal advice, before signing any such documents.

The Organiser does not recommend that you sign any materials that you receive from Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory. If you have mistakenly entered into contract with Construct Data, Commercial Online Manuals, Event Fair and/or AVRON, and/or International Fairs Directory, you should notify Construct Data, Commercial Online Manuals, Event Fair, AVRON, and/or International Fairs Directory, in writing and inform them that you dispute the validity of the contract on the basis of mistake and/or misrepresentation. You should take legal advice as to how to respond to any demands for payment that you might receive.

### 3.23. Smoke-Free Policy

Health and Comfort Come First  
at Smoke-Free HKCEC

From 1 January 2006, the Hong Kong Convention and Exhibition Centre has become a smoke-free venue. This is in line with best international practices and the wishes of visitors and event participants. It also reflects the venue manager's commitment to providing a comfortable, health-conscious environment at this world-class facility.

### 3.24. Important Points to Note

#### 3.24.1. On-Site staff regarding working visa

All Exhibitor representatives who are not ordinarily residing in Hong Kong will be required to obtain a "Temporary Working Visa" and/or any other permits or approvals from the relevant authorities when they participate in a fair in Hong Kong involving retail sales activities. Alternatively, a local worker / local representative may be employed to conduct retail sales activities.

Any person who contravenes a condition of stay in force in respect of him shall be guilty of an offence. Should any Exhibitor representative fail to comply with the above regulation, the Organiser has the sole discretion to terminate the Exhibitor's participation in the Exhibition with immediate effect and/or to ban the Exhibitor from participating in any or all future HKTDC exhibitions. During the Exhibition (including move-in and move-out days), Exhibitors who would like to appoint non-HK residents to work at the booths, please note and comply with the Hong Kong Immigration Ordinance and Immigration Regulations.

Under the Hong Kong Immigration Regulations, permission given to a person to land in Hong Kong as a visitor shall be subject to the conditions of stay that he or she shall not take any employment whether paid or unpaid or establish or join in any business.

Under the existing immigration policy of Hong Kong, a foreign national who wishes to come to Hong Kong to take up residence for employment, training, or join in any business should apply for an appropriate visa before entry. Application for change of status after arrival as a visitor will normally not be considered.

Non-HK resident exhibitors who would conduct retail activities during the exhibition have to apply for the appropriate visa. For any question, please contact the Immigration Department. [Tel: (852) 2824 6111, Fax: (852) 2877 7711, Website: [www.immd.gov.hk/eng/contactus/index.html](http://www.immd.gov.hk/eng/contactus/index.html) or email: [enquiry@immd.gov.hk](mailto:enquiry@immd.gov.hk)]

Non-working visa holders may wish to hire local temporary helpers to conduct retail sales. Please refer to Section 5.5 for a list of temporary helper agencies.

#### 3.24.2. Security Precautions

The Organiser is responsible for the general security of the entire venue and will take all necessary measures to safeguard the property of the exhibitors. However, as it is not possible to solely rely on the Organiser's efforts to prevent crime, therefore, the exhibitors should still take care to safeguard its own products and property to avoid any loss to the property stored or displayed at the exhibitor's Stand

#### 3.24.3. Manning of Booth

Please ensure that the exhibitor's stand is manned **at all times** by the staff. Never leave property unattended, even for a few seconds. Shoplifters come in many guises and exhibitors have to be alert at all times. They work in many ways but most of the time rely on working quickly using a moment's inattention to allow them to slip something into their pocket or open bag.

The biggest deterrent to shoplifters is simply being seen. Alert staff is a big help. Brief your duty staff on the importance of security precautions and make sure that they have view of the whole stand and that there are no blind spots.

#### **3.24.4. Identity Tags**

Where possible all items on sale and on display should carry a tag showing the price and the name of your company. This way there can be no argument about how much the item costs and which booth it comes from.

#### **3.24.5. Delivery of Exhibits**

Exhibits should not be sent to the venue until the stands are readily constructed. Exhibitors should arrange for a representative to be at the stand to receive goods as the Organiser will not accept or acknowledge receipt for any goods, exhibits or other materials on behalf of any exhibitors.

#### **3.24.6. Storing of Exhibits**

The Organiser shall in accordance with factors such as the conditions of the Fair, the area available, and the demand for such service, decide whether to offer this additional storage service. The Organiser plans to utilise a reservation system and to make an estimate in accordance with the booth area, distribution of booths within the hall, and the storage available, to then facilitate the temporary storage space in terms of number and location of storage compartments, and service hours. All exhibitors that wish to utilise this storage service must apply to the Organiser before the deadline, to be announced, and pay the deposit in accordance with the size of the exhibitor's booth, being HK\$1,000 per 9 square metre. The application will not be accepted if the requested deposit is not paid. If the exhibitor does not utilise the reserved storage space or contravenes any relevant storage rules and regulations, the deposit will not be returned. If there have been no contravention of rules, the deposit will be returned after the exhibition period of the Fair. Details of the application guidelines have been included in Form 13A in "Additional Facilities and Services Order Form". If your exhibitor would like to use the limited storage service, please return the form on or before the deadline. The Organiser reserves the right to amend and/or add to the terms and conditions in relation to the temporary storage service, or to terminate such additional service without any compensation. If your company would like to utilize the temporary storage, please apply the temporary storage working permit for designated staff by filling in the Form 13B in "Additional Facilities and Services Order Form" and provide 2 recent photos of each designated staff on or before the deadline.

A temporary storage will be constructed for storing promotional leaflets and showcases. No valuables should be stored there. The Organiser is not liable for any loss or damage of the stored goods. Due to the limited amount of space, once the storage is full, exhibitors should make direct arrangements with the freight forwarder of your choice. If you have a purpose-built storeroom or a safe within your stand, please make sure that it is kept locked at all times and the key is in the custody of a trustworthy employee. Likewise, to make sure there is no opportunity for theft, the showcases and the display counters within your booth should be locked immediately after you take out exhibits for showing to customers. Slack security is a big temptation to thieves. To protect your duty staff's personal possessions, please advise them to lock up their handbags and wallets in cabinets and personal handbags etc. Should never be allowed unattended on the floor or on the desk.

#### **3.24.7. Replenishment of Exhibits**

Exhibitors could transfer their exhibits from the temporary storage to their booth(s) 90 minutes before the fair opens during 14-19 July 2021 and 60 minutes before the fair starts on 20 July 2021. Exhibitors could also replenish their exhibits by vehicles daily to the temporary storage area. Starting from 30 minutes before the opening of the fair until the fair officially close every day, exhibitors are required to utilise trolley with two or more staff members to cover the front and back of the trolley when replenishing goods to their booth(s). Exhibitors have to take all precautions to avoid causing danger to the visitors when replenishing stocks The Organiser reserves the right to require exhibitors to follow additional safety measures or even prohibits exhibitors from using trolley to replenish stock if the fairground is too crowded.

### **3.24.8. Demonstration of Exhibits**

Exhibitors wishing to carry out demonstrations of any kind must ensure that their practices will in no way constitute fire or safety hazards or interfere with the activities of visitors or other exhibitors. If any demonstration or other activity to be conducted is likely to attract a gathering of a material number of people (for example, a gathering of 20 people at once per 12 square meter of floor area), the exhibitor must (i) provide the Organiser with details of such demonstration and/or activity to be undertaken in writing at least one month prior to the commencement of the Fair; (ii) obtain the Organiser's written approval before undertaking any such demonstration or activity; and (iii) comply with any conditions imposed by the Organiser. The Organiser has the sole and absolute discretion to determine whether the number of people gathered (regardless of the actual number) is material on a case-by-case basis. Any such demonstration or activity undertaken without the Organiser's approval or in any way in contravention of the conditions imposed may at any time be banned by the Organiser.

The Organiser reserves the right to terminate or curtail any practice which it considers to be detrimental to the exhibition.

### **3.24.9. Exhibitors' Removal of Exhibits and Other Materials on Move-out Day**

Removal of exhibits, goods, equipment, stand materials, publicity and other materials (collectively, "Exhibits and Other Materials") on the move-out day may commence only after 5pm on 20 July 2021. Exhibitors, their agents, representatives and/or contractors are responsible for the complete removal of all such Exhibits and Other Materials, together with all rubbish and other waste materials, from the Hong Kong Convention and Exhibition Centre and surrounding areas on the move-out day according to the arrangements and time limits as specified by the Organiser. In order to reduce wastage and protect the environment as good corporate citizen, exhibitors should ensure that all remaining stock of exhibits shall not be disposed of as refuse/waste and shall be fully removed from the exhibition venue. Wastepaper and other recyclable wastes shall be disposed of at the relevant recycling bins in the exhibition venue. If an exhibitor fails to comply with the above requirements, the Organiser reserves the right to impose penalty on such exhibitor, including but not limited to requesting the exhibitor to pay an extra deposit for its application for the Fair in any subsequent years, delaying the exhibitor's turn in selecting a booth location at the Fair in any subsequent years, or to ban the exhibitor from exhibiting at the Fair or any subsequent fairs organised by HKTDC in future.

The Organiser is not liable for any loss or damage to or any other claims arising out of any Exhibits and/or Other Materials left behind at the exhibition venue. All such left behind Exhibits and Other Materials shall be deemed abandoned and shall be dealt with or disposed of by the Organiser in the manner as the Organiser sees fit and at the expense of the exhibitor concerned. All proceeds (if any) of such dealing or disposal shall be retained by the Organiser and the Organiser shall not be obliged to account such proceeds to the exhibitor concerned.
